

MSV Trackdays EnduroKA Series

Motorsport UK Series Permit No: RS2021/026

Existing regulation

- 18.1.1 For the first three rounds of the 2021 season, tyres must be either Toyo Proxes R888R 185/60R13 or Yokohama Advan A050 175/60R13 for dry & wet conditions. It is prohibited to cut the tyres in any manner and the original tread pattern must remain visible at all times. Tyres must be matching across the axel at all times.
- 18.1.2 Following the completion of the third round of the 2021 season, the control tyres for the KA Endurance Series will revert solely to Toyo Proxes R888R in the permitted tyre size of 185/60R13 for dry & wet conditions. It is prohibited to cut the tyres in any manner and the original tread pattern must remain visible at all times. Four tyres of Toyo Proxes R888R must be fitted at all times.

Proposed additional regulation

- 18.1.1 Tyres must be either Toyo Proxes R888R 185/60R13 or Yokohama Advan A050 175/60R13 for dry & wet conditions. It is prohibited to cut the tyres in any manner and the original tread pattern must remain visible at all times. Tyres must be matching across the axel at all times.
- 18.1.2 DELETED

Reason:

Force Majeure

Footnote:

- All teams are responsible for ordering their own tyres via PolleySport, the sole tyre supplier for both the Toyo Proxes R888Rs and Yokohama Advan A050, as per series regulation 18.1.3
- Teams are expected to prioritise race events when using their tyres during this time
